Dear Mr. Rehder:

Enclosed please find a copy of the Draft Buffer Zone Sampling and Analysis Plan (BZSAP) and Draft Buffer Zone Data Summary for your review. A copy will also be provided to the Colorado Department of Public Health and Environment for their review. The Draft BZSAP is the Rocky Flats Cleanup Agreement decision document for accelerated action sampling in the buffer zone. It describes surface and subsurface soil characterization and remediation confirmation sampling activities for Individual Hazardous Substance Sites, Potential Areas of Concerns, and Under Building Contamination Sites, if encountered at the Rocky Flats Environmental Technology Site.

The Draft BZSAP contains revisions that reflect comments by the U.S. Department of Energy Rocky Flats Field Office on the preliminary BZSAP. It would be greatly appreciated if you would complete the review by August 17, 2001. We would like to then make any necessary revisions and have copies of the Draft Final revision back to you by September 15, 2001.

Sincerely,

Joseph A. Legare
